

PROFILE SUMMARY

Analytical professional skilled in **financial modeling, data analytics and marketing strategy**, seeking to leverage **data-driven insights** to deliver **measurable business impact** in analytics-driven roles.

INTERNSHIP

Marketing Intern, GrayQuest Apr 2026 – Jun 2026

- Drove **Rs. 5 Lakh+ in live loan applications** across 2 partner school chains through targeted marketing outreach, **boosting disbursements**
- Analyzed **24,626 loan applications** to build an Early Warning System, flagging **Rs. 10.33 Cr at-risk exposure** – **~13% of the Rs. 80.76 Cr book** – for proactive collection
- Developed a logistic-regression **Probability-of-Default model (ROC-AUC 0.97)** flagging defaults **30–60 days early**, enabling timely intervention over reactive collection

ACADEMIC PROJECTS

- Generated **50% net profit** running a micro venture, applying **regression analysis** to optimize pricing via **demand curves and price elasticity**, 2025
- Estimated the **cost of capital (WACC)** of **3 listed City Gas Distribution firms** using **CAPM**, finding **WACCs of 14.4–18.0%** driven mainly by each firm’s market risk (**beta**), 2026
- Analyzed consumer and sales data for a **pizza brand** using **PESTEL and Porter’s Five Forces**, delivering pricing and market insights to **boost footfall** and optimize in-store operations
- Applied **statistical methods** to analyze **1,500+ car-pricing observations**, isolating key drivers of **price and demand** and converting findings into **actionable pricing recommendations**, 2025
